The background of the image features a clear, light blue sky filled with several stylized, low-poly clouds. These clouds are rendered in various shades of light blue and white, with sharp, geometric edges that give them a modern, digital appearance. They are scattered across the frame, with some appearing larger and more detailed in the foreground, and others smaller and simpler in the background. A solid black rectangular box is positioned on the left side of the image, partially overlapping the clouds. Inside this box, the words "WEATHER REPORT" are written in a clean, white, sans-serif font, stacked in two lines.
